

# CAGES

We have the ability to make almost any kind of  
Quality small animal cage!

Ask for an estimate on any unlisted sizes.

25% down on special orders required.

We use galvanized after welded wire to last longer!

Cages have 2" x 1" wire, swing-out doors, spring latch, plastic door guards & 2 1/2" galvanized metal pan or Duratray plastic pan. Pan slides in to opening below the cage door.

Cage hole is 14", 16" or 18" high and can be made with width & depth reversed.

Floors are 1/2" x 1" galvanized after welded wire

(1/2" x 1/2" is available at extra cost)

(Swing-in doors available \$2.00 extra per door)

(Galvanized Urine Guards are \$8.00 extra per hole.)

Stacking Cages are stacked and attached together to your liking. (E.g. Usually a 6 hole is made 3 cages high and 2 cages across but can be made 2 cages high and 3 cages across.)

## SINGLE CAGES

WIDTH	DEPTH	METAL PAN	DURATRAY PAN
24"	18"	\$57.75	\$61.60
